Advertisement for the JRF Under CSIR Funded Project at Centre of Bio-Medical Research (CBMR), Lucknow

Applications are invited for Junior Research Fellow (JRF) from motivated candidates with organic chemistry background for performing research at Centre of Bio-Medical Research (CBMR), Lucknow (<http://cbmr.res.in/>). The project is funded by CSIR, New Delhi for a total period of three years.

Title of the Project: 1,2,3,4-Tetrazole: A Metal-Nitrene Surrogate for Denitrogenative C(sp²)-H Bond Functionalization: Converting 1,2,3,4-Tetrazoles to Other Nitrogen Heterocycles.

Essential Qualifications: 55% marks or equivalent CGPA in M.Sc. or equivalent degree in Organic Chemistry with NET-LS qualified. Preference will be given to the candidates having practical experiences (academic and/or industrial) in organic synthesis.

Fellowship: Selected candidate will receive fellowship according to the CSIR/UGC rules (a monthly stipend of Rs. 25,000 + 20% HRA).

Interested candidates are requested to send their application (Cover letter, Short CV, and at least one Recommendation letter) through email to the Principal Investigator (Dr. Buddhadeb Chattopadhyay) to the following email Ids.
E-mail: buddhachem12@gmail.com; buddhadeb.c@cbmr.res.in

Last Date of Application: June 15, 2016

Selected candidates will have the opportunity to get registration for Ph.D. during the tenure of the project subjected to qualify CSIR-UGC-NET examination or the Ph.D. entrance examination of the registering University following the UGC guideline.
