Advertisement for JRF under CSIR Funded Project

Applications are invited for the Junior Research fellowship position from the motivated candidates with background in organic chemistry to work on the project funded by CSIR, New Delhi (Ref. No. 02(0258)/16/EMR-II).

Title of the project: Chemo-enzymatic approach towards the synthesis of bisanthraquinones.

Essential Qualification: 55% marks or equivalent CGPA in M.Sc. or equivalent degree in Organic Chemistry with **NET-LS qualified**. Preference will be given to candidates with practical experience in organic synthesis.

Fellowship: The selected candidate will receive fellowship as per revised CSIR rules, that is Rs. 25,000 p.m. (+20% HRA)

More Information: Interested eligible candidates are requested to send their application (Cover letter, short CV, and at least one confidential recommendation letter) to the Principal Investigator (Dr. Syed Masood Husain) through email to smhusain.iitb@gmail.com on or before **31st May, 2016**.

Selected candidates will have the opportunity to get registration for Ph.D. during the project subject to qualification of CSIR-UGC-NET examination or the Ph.D. entrance examination of the registering University following the UGC guidelines.

Dr. Syed Masood Husain
(Principal Investigator)
