

Applications are invited from prospective eligible candidates for PhD programme at Centre of BioMedical Research (CBMR), Lucknow. Motivated and talented candidates from Physics/Chemistry/Biochemistry/Biotechnology/Life-Sciences/Cognitive/Data Sciences background who are interested in pursuing innovative research in interdisciplinary areas of biomedical sciences are encouraged to apply.

**Eligibility: Joint CSIR/UGC NET-JRF (NET-LS not eligible), DST-INSPIRE, DBT-JRF, ICMR-JRF, or any other equivalent fellowship valid for a period of 5 years**

**CBMR has state-of-the-art NMR spectrometers (400, 600 and 800 MHz), 3 Tesla human MRI scanner and other sophisticated analytical equipments for pursuing multi-disciplinary research in frontier areas of biomedical sciences**

## Thrust Areas of Research

**Advanced  
Spectroscopy  
and  
Imaging**

**Biological  
and  
Synthetic  
Chemistry**

**Biomedical  
Engineering  
and Devices**

**Systems  
Biology**

**Data  
Sciences**

**Online application should be submitted to CBMR academic  
cell: [academiccellcbmr@gmail.com](mailto:academiccellcbmr@gmail.com)**

**Last Date for the submission: 15<sup>th</sup> September, 2023**

**जैव चिकित्सा अनुसंधान केन्द्र | Centre of BioMedical Research**

उत्तर प्रदेश सरकार का एक स्वायत्तशासी केन्द्र (An Autonomous Centre of the Government of Uttar Pradesh)

Address: SGPGIMS Campus, Raibareli Road, Lucknow-226014, Uttar Pradesh | India
