Advertisement for Research Associate/Senior Research Fellow position in Organic Synthesis

Project Title	Asymmetric total synthesis of eupalinilide E and allied guaianolides
Principal Investigator	Prof. Saumen Hajra
Funding Agency	CSIR-HRDG
Temporary Position(s)	Research Associate (RA) or Senior Research Fellow (SRF)
Number of Position	One
Fellowship	<p style="text-align: center;">As per CSIR Guidelines</p> <p style="text-align: center;">Research Associate: 47,000/- per month + HRA</p> <p style="text-align: center;">Senior Research Fellow: 35,000/- per month + HRA</p> <p>The post is purely temporary, subject to the condition that the same may be terminated earlier on one month notice of either side. The fellowship amount will be determined based on the educational qualification and experiences.</p>
Duration	Initially for one year (extendable up to 3 years based on performance)
Essential Qualification	<p>RA: Ph.D. in Chemistry (Organic Synthesis)</p> <p>SRF: M. Sc. in Chemistry with two years or more experience in research and development in Industrial and Academic Institutions or submitted Ph.D. thesis in (organic) chemistry, but not awarded degree.</p>
Desirable	Experience in multistep asymmetric total synthesis will be preferred.
Age	Upper age limit: As per CSIR Guidelines
Application Instruction	<p>Interested and eligible candidates must send their application with cover letter, CV with two references and their list of publications on and before August 01, 2021 to Email: academic.cell@cbmr.res.in</p> <p>Candidates are requested to appear for an online interview on August 04, 2021.</p> <p style="text-align: center;">No TA/DA will be provided.</p>
Venue, Date & Time of Interview	<p style="text-align: center;">CBMR Conference Room (Old building).</p> <p style="text-align: center;">August 04, 2021 at 11:00 AM</p>
